Instructors: Deacons Karen Neal-Hines and Claudette Giles

Time: Tuesdays, 7:00 PM - 8:30 PM

Text: *Seeing Christ in the Tabernacle*, by Ervin N Hersgberger

The Purpose of this course is to encourage discipleship in the context of the Tabernacle which is a direct response to God's initiative in getting the Israelites to turn towards Him and commit to living in His presence. Part one showed that the Tabernacle symbolized God's presence, offering a model for discipleship focused on learning, obedience, service, and ultimately connecting to Jesus. The Tabernacle demonstrated God's wish for close involvement with His people and their lives, a key idea in discipleship. God uses both symbols and types to specifically depict the Person and Ministry of Christ in the New Testament. These symbols and types offer a picturesque illustration of Christ and His Church.
